Festive Food

One important part of many birthday, holiday or other special celebration is food. People gather together with friends and family to eat and celebrate. Good food can make the day more festive. However, those who must prepare the meals and treats may feel quite tense.

To get ready, ingredients for all of the dishes must be bought. Ovens must be heated to the correct degrees so everything gets cooked properly. Mothers and fathers may move about the kitchen anxiously and may even become cross.

Some people remark that a day of fun can quickly become a day of anger. They recommend that you plan your time well if you want to make something special to eat. Get all the things ready before you start. Try not to rush. Then you can truly enjoy your day and the delicious food.

Discussion Question

1. What can make a birthday or holiday more festive?

2. What do some people recommend you do when making something special to eat?

Grammar: Verb Tenses - Past, Present and Future

Verb Tenses tell us when an action happens.

Past Tense shows an action happened in the past.

Present Tense shows an action that happens now, or regularly.

Future Tense shows an action will happen in the future.

Verb endings like -s/-es or -ed, and words like **will** are used to show which tense is being used.

Past

Present

Future

She baked a cake. She bakes a cake. She will bake a cake.
